APPENDIX B

County Board Ratios

Below is a listing of multidistrict counties along with the corresponding school districts for which county board revenues or expenditures were prorated. The ADM for the county is displayed as well as the ADM and percents attributable to the school districts within the county. The school district ADM figures shown below agree with those displayed in the revenue and expenditure tables in that kindergarten pupils were counted as half-day pupils. Single-district counties are not shown since the tables in this publication include all county board monies in the school district's revenues and expenditures.

County Board	1981-82 ADM	Percent
